

Name: _____

"Remember The Titans"

1. How does Boone approach Yoast and others that question his methods? What would you do in this type of situation? What type of conflict would you say this is?
2. What is the significance of Boone reinforcing the need for his players to wear a coat and tie and arrive on time? In terms of "teamwork", what is his point in doing this?
3. What is Coach Boone's leadership style? What leads you to think this?
4. What does Boone do well as a leader? What are Boone's downfalls as a leader?
5. Boone says *"This is not a democracy, it is a dictatorship. I am the law."* Boone clearly states that he will not settle for anything less than perfection. If a player makes a mistake they will run a mile. How does this leadership affect the players?
6. How are Coach Boone's and Coach Yoast's leadership styles different? Do you think one is better than the other? Explain.

7. As the movie progresses, the players begin to take on leadership rolls on their own. Describe 3 instances where individual players "step up" and demonstrate their ability to lead.

8. Select one player and explain what makes this individual an effective leader.
